## CORONER'S INQUEST.

Joseph Lee, a colored cook on the tugboat Eugenia, was taken before the coroner's jury this afternoon which investigated the drowning of Ernest Fisher, colored, whose body was found in the Queen street dock last Wednesday afternoon. His testimony was to the effect that Fisher came aboard the tugboat at 6:30 Sunday evening; that he later left for the purpose of procuring some bread; that he returned at 7:15 and left at 8:30; and when witness last saw Fisher he was proceeding toward W. A. Smoot & Co's wharf. Lee was the only witness examined.

The jury returned the following verdict:

"That Ernest Fisher came to his death by accidental drowning in the Potomac river at Alexandria on Sunday, September 25, 1910."

The jury was composed of Messrs. Maurice Wilkins, (foreman), Stephen F. Gill, S. C. Swain, Harry Kirk, W. Dent and James A. Johnston.

## JEWISH NEW YEAR.

Monday evening will be the Jewish New Year's Eve, and on Tuesday the Jewish New Year's Day will be appropriately observed. The official Jewish term for the day is "Rosh Hashanah," and, according to the Jewish calendar, this will be the celebration of the year 5671. It is the seventh new moon of the Jewish calendar. The day soon came to be known as the day for "blowing the trumpets," and was to remind the Israelites that a new period of time had begun. It was considered the most appropriate time for gaining reconciliation with God. Rosh Hashanah is considered a solemn, though not a mournful occasion by the Jews, and is a special occasion for the frailty of human character, holding of church services and prayer.

A service will be held in the synagogue in this city at 7:30 o'clock Monday night.

The services will be conducted by Rabbi Maurice Krohngold, of Cincinnati.

## LECTURE ON KOREA.

The Second Presbyterian Church was crowded to the doors last night when the lecture on mission work in Korea was delivered by the pastor, Rev. J. R. Sevier. For over an hour curious and beautiful pictures were shown illustrating life and customs in a land where the gospel is winning by leaps and bounds. It was stated that those in charge of mission work there confidently expect to be able to leave the work in the hands of the native ministry in a few years. In addition to many pictures of the people, their homes and occupation, churches and hospitals, there were beautiful pictures of scenes and flowers in all their gorgeous colors. It has been suggested that the lecture be repeated, and given at the old First Presbyterian Church on South Fairfax street. This will possibly be done within the next two weeks.

## SUFFICIENT MONEY RAISED.

A meeting of the board of directors of the Chamber of Commerce was held yesterday afternoon when it was announced that bonds in the sum of \$10,000 for the proposed ferry, which will be operated between Alexandria, Washington and the Fifth steel plant, had been subscribed for by merchants of this city. This insures the reopening of the ferry. Preliminary plans toward securing a boat are being made and it is expected that a suitable ferry will be placed in operation by December next. The committee engaged in perfecting the plans is composed of Messrs. A. D. Brockett, J. T. Preston and R. E. Knight.

## ASSAULTS WITH KNIVES.

Jesse Lee, colored, was before the Police Court this morning charged with assaulting Gilbert Amos, also colored, with a knife. The affray took place in a saloon, and, according to Amos, Lee cut at him with a knife when the complainant refused to pay for a drink furnished a colored woman. Lee was fined \$5.

Andrew Jackson, colored, was subsequently placed in the dock to answer the charge of cutting at the throat of a colored woman named Lottie Ford. The woman exhibited a pocketbook which had been cut across its entire length. She said she held the pocketbook in front of her neck, and it received the knife thrust instead of her throat. Jackson was fined \$10.

## DEATH OF A FORMER RESIDENT.

It was stated yesterday that a message had been received in this city from Paterson, N. J., inquiring for relatives of John Quinn, who died in that city Thursday. The deceased was formerly a resident of Alexandria. He left this city more than twenty years ago, and his relatives did not know of his whereabouts. Mrs. Murphy of Washington, is a sister of the deceased. He has also a brother in that city. So far as can be learned Mr. Quinn had no relatives in Alexandria at the time of his death.

## APPRECIATIVE CROWD.

The enormous crowd that found its way to the Opera House last night, judging from the applause which could be heard a block away, was highly entertained. The treatment of mother-in-law is a popular topic and every fellow wants to know what the other unfortunate does. Sometimes they are gold dollars, but often, like in prize packages, they are wooden sleeve buttons. The excellent programme will be repeated tonight.

An entertainment was given last night at Sherwood Hall, near Mt. Vernon, by the Golden Rule Circle of the King's Daughters and Sons, for the benefit of the Children's Home in Alexandria. It proved to be a very successful and enjoyable affair.

## ANOTHER HOLDUP.

Officers Bell, Talbot, Nicholson and Roland were summoned to Spring Park about two o'clock this morning to investigate a holdup at that place. They found a young man named Joseph S. Ross, of Richmond, who was on his way to Pittsburgh, was the victim of a holdup. He had been waylaid at the point of a pistol by two negroes, while another stood a short distance away and relieved of his watch, pocketbook, two notebooks, \$27.50 and a pocketknife. He gave a description of the negroes, and later the officers took James Carter, Ellis West and William Fountain in charge. They found all the missing articles on West. Rose exhibited a scratched chin which he said was caused by the muzzle of the pistol when it was thrust at his head. There was, however, but \$6.50 in the pocketbook. The accused were brought before the Police Court this morning when Rose identified West, but he failed to identify Fountain and Carter. The two last named brought witnesses who testified to an alibi. Justice Caton sentenced West to serve ninety days in jail for assault and imposed a fine of \$100 and a term of six months in jail for robbery.

Later in the morning there was a conference between Justice Caton and Commonwealth Attorney Brent, and it was agreed that when West shall have served his sentence of one year in jail he will be brought before the grand jury if Rose can be found to appear against him.

## POLICE COURT.

[Justice H. B. Caton presiding.]  
The following cases were disposed of this morning:

John Walsh, colored, charged with assaulting Lawrence Jones, forfeited his collateral by failing to appear.

Jesse Lee, colored, charged with assaulting Gilbert Amos with a knife, was fined \$5.

Ellis West, colored, charged with assaulting and robbing Joseph S. Rose, was sentenced to serve 90 days in jail for the assault and fined \$100 and given 6 months in jail for larceny.

William Fountain and James Carter, both colored, charged with being accessories were dismissed.

Andrew Jackson, colored, charged with assaulting Lottie Ford with a knife, was fined \$10.

## BEAUTIFUL FALL EXHIBIT.

The garment section is the center of attractions at D. Bendheim & Sons. The brisk selling that is under way strongly attests the superior style and better value of their new fall showing. Among the suits and wraps, the beautiful and complete printess line is especially favored, and deservedly so, for not only are princess styles the recognized standard, but the beautiful all wool materials from which these garments are made, their thorough and artistic tailoring and their exact custom fit entitles them to the preference of the discriminating woman. Formidable military preparations have been made all over Spain to deal with the threatened crisis.

Chicago, Oct. 1.—The police are still holding Fred C. Wahlenmeyer, central figure in the supposed attempt to dynamite the home of Mrs. Potter Palmer. They were convinced that Wahlenmeyer is demented and arrangements will be made to confine him in a sanitarium.

A bridge over a creek near their home in Norfolk county had been destroyed by fire, and it was about time for a train to come along. Quick action was necessary.

The lanterns were speedily secured, and given to the father and brother of the girls, one to flag approaching trains from the east and the other from the west. Within a few minutes after the signal men had taken their positions a train came thundering along from the west. The engine men saw the red lantern on the track and stopped the train.
